I, Chris Gregerson, being duly sworn, hearby swear and affirm as follows:

1. In 2006, for a period of about six months, I posted a reward on my website asking the public for proof of the existence of the person identified by Vilana as "Michael Zubitskiy". The proof requested was a copy of a valid, government-issued ID. I offered \$500.00 in cash and to unilaterally drop all legal claims against Vilana if anyone could prove "Michael Zubitskiy" exists. There were no responses.
2. The attached exhibits, A-T, are all true and correct copies of the documents identified and represented therein.

Further the affiant sayeth not.
